

When Did You Believe?

Saul experienced a dramatic “Damascus Road” conversion that led him to believe in Jesus. Most people don’t experience something so spectacular. In fact, many can’t name a specific moment when they came to believe in Jesus for themselves.

Ask 5-10 people of different ages to share their story with you. Then put their name in the appropriate box below. Be prepared to share your story as well.

I had a dramatic “Damascus Road” type of experience

I’ve always believed in Jesus, from my earliest memories to today

It happened gradually over time

I rejected Jesus and later came to accept Him
