

Receive to Give

Christ gives to us because He loves us and because we ask Him to give to us. While we enjoy what Christ gives us, He expects us to pass it on—including passing it on to people who don't "deserve" it. Why do that? Because that's what Christ has done for us.

Make a list of what you have received from Christ. Make a separate list of what you have given to others. Ask God to FLOW through you, passing on what He has given to you as a gift to others.
